2017 Celebrate America Vendor Contract

Thank you for your interest in reserving a space for Celebrate America. This year, the event takes place Sunday, July 2nd. Because this is an event of Thomas Road Baptist Church, all advertising and sales must be done in an appropriate manner. There will be no alcohol or tobacco permitted on the premises. The use of proper etiquette is required from all employees at the booths (i.e. no cursing, rude comments, etc.).

You may begin setting up your booth at 07:00 AM. The event will start at 05:00 PM and will end at approximately 11:00 PM. Sales may continue throughout the event.

If you need electricity, please plan to have your own source (i.e. generator). The electrical supply is non-existent in the fields around Thomas Road Baptist Church. Electricity is not guaranteed even if you are close to, or seem to have access to, an outlet.

It is entirely the vendor's responsibility to secure the applicable licenses and follow the regulations placed on mobile food vendors by the city of Lynchburg and State of Virginia.

Although a large attendance is expected, it is not guaranteed. Additionally, there is no guarantee related to the amount of revenue you will generate. There is no limit to the number of vendors selling the same types of products. This year vendors *are invited to bring their own Coke, Pepsi or other non-alcoholic products* to sell. A breech of any of these rules could cause you to lose your permission to remain at the event, without reimbursement of the fee.

A flat fee of $200.00 may be paid in cash or with a check payable to Thomas Road Baptist Church. After payment is received, we will a reserve a 10 ft x 10 ft space for your booth. (If you need additional space, please include $150.00 for each additional 10 ft x 10 ft space or any portion thereof.)
